

ANNUAL CHILDREN PROGRAMS IN INDIA

Sam Vonumu, along with the staff members and volunteers have visited several locations all over India meeting approximately 2,000 children and their parents to encourage them and wish them well for a better future. These programs are very successful and have made an impact on everyone.

Mr. Sam Vonumu

Founder & CEO – Uplift a Child International Inc

Mr. K.C. Surender Naik IAS

District Magistrate, New Delhi, Govt. of India

January 15th 2016

New Delhi

Mr. Vonumu landed in New Delhi on January 15th and spent his first day with our friend who is passionate on helping our children and he is our fan since 2011. We are thankful to Mr. Surender Naik for accepting our invitation to do our career counseling program in Vizag, AP for all of our 9th and 10th grade students. Children from at least 20 locations will travel to Vizag as Uplift a Child India is planning a seminar for 8 hours along with many other resource specialists to help our children plan their career according to their interest. This is the second time we are doing this. Last year, we did this in Vijayawada and it was very successful. We will do whatever it takes so that our children would succeed for a better future.

Bobbili, Vizianagaram Dist, AP

We have 80 children studying at this location and we have met all of them and their parents. It was a happy occasion to celebrate the children's success. But was also sad to miss one of our children who have departed from this world due to an accident few months ago. Met the mother of the child and expressed our feelings and shared her sadness. Jayanth Gollapalli was with us for 7 years.

Mudinepalle, Krishna Dist, AP

This was our first time annual program in Mudinepalle. We have started with 50 children in 2015 and have increased to 100 children this year because of the good partnership of Vidyanjali School. All of the teachers there are very dedicated in serving less fortunate children for education and we all have felt it so much. Our children are doing very well there and 17 of them have got ranks.

Hyderabad, Telangana

Sandhya Guduri and her family from Hyderabad have completed one year of their service with Uplift a Child. We have started with just 9 children in 2015 at Bharathi Vidhyalaya School and all of them are doing very well with their help. From this year, we will be supporting 100 new children in Hyderabad area. We did not have an annual program but visited our 9 children in Kukatpalli area and inspired the children and parents to do well.
