

Annual Children Programs 2008

[2007-2008 school year Awards Recipients](http://www.vonumu.org/2008awards.pdf) (<http://www.vonumu.org/2008awards.pdf>)

The Boggavarapu Foundation has been providing outstanding children with cash awards who secured ranks in their respective grades. This is a great incentive for children as well as encouraging and inspiring to continue to do well in school. We conduct annual reward ceremonies every year. A detailed report has been sent to all our sponsors for the 2007-2008 school year.

I like to share the good news of our children's academic success. In 2008-2009 academic year, we supported around 600 children. Out of them, we had 5 children who wrote the 10th grade public examinations. All 5 of them passed in first division. We are very happy for their success. Below is a detailed report on each child who appeared and passed the SSC exams.

Rajesh Sivakoti from Tuni, East Godavari district, AP, India.

Rajesh is from a very poor background. He lost his father due to Aids disease. His father used to work as an attender in M.R.O Office on contract basis. His mother, a single parent is now taking care of Rajesh and Lakshmi (sister of Rajesh) by selling Vegetables. The money she gets from selling vegetables is only enough for the basic living needs. She is unable to afford educational expenses. He completed his high school education at Apollo English Medium School in Tuni.

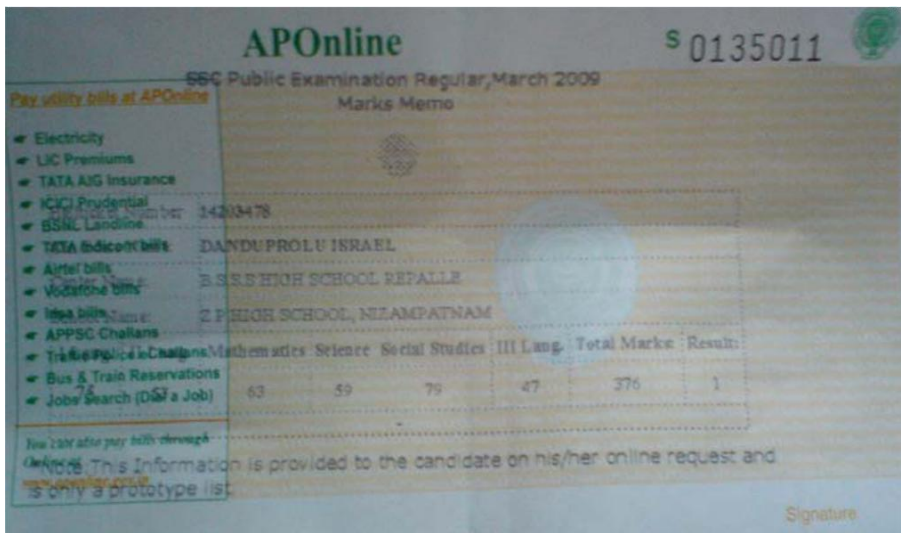

We are thankful to **KAMAL BOLLEMPALLI** from Madison, Wisconsin, USA. Who supported this child all these years till 10th grade. We are now looking for a sponsor to support his Intermediate education. He will be a candidate for IIT. We found a good college for him and it would cost **US \$500 per year**. We invite any one to help this child.

mmidi from Nizamapatnam, Guntur district, AP, India.

David belongs to one of the families of Nizamapatnam who was affected during Tsunami in 2005. Since then, we have been supporting this child. **SUSAN CARSON** of Silver Spring, Maryland, USA is the sponsor of this child and extended her support to help him for his junior college. We are very thankful to her for the educational support she is providing to her sponsored child.

Israel Danduprolu from Nizamapatnam, Guntur district, AP, India.

This child is from a very poor family. Father lost his small boat during the Tsunami disaster. Since then, father works on petty jobs, fishing related. Mother works in the fields and also does some other small jobs in the fishing harbor. **BALAKRISHNA & MADHURI** from Hyderabad supported this child till 10th grade. We are thankful to them for their support all these years. He now wants to become an engineer. We are looking for a sponsor to support this child for his junior college. It will cost **US \$400 per year**. We invite any one who is interested to help this child.

Sudhir Doddi from Visakhapatnam, AP, India.

Sudhir's father died of cancer. They run a roadside shop selling cigarettes and pan for survival. Other family members have a lot of medical expenses. Because of that, they spend a lot of money on his medicines. The income is not enough to take care of the family expenses or education. **SWAS group in USA** supported this child till 10th grade.

SWAS group consists of a group of engineering students from India, who studied together and has come up in life very well. Because of their success in life and eagerness to help the underprivileged, they formed this group. When we asked them what SWAS is? These are the words they mailed us. "We , the engineering friends came together after a hiatus and came together for a good cause, to do something for our society and hence the name "SWAS" , a fresh breath of air. . SWAS group consists of Suresh Ediga from New Jersey, Chandrakant Rai from Vancouver, British Columbia, Canada, Prasad Musunuru from Frisco, Texas, Prasanna Ramsagar from Farmington Hills, Michigan, Raghu Kiran Potluri from Richardson, Texas, Vasanth Vemula from Sunnyvale, California. We welcome this group of good people who are already making a difference in children's lives by providing education.

We are waiting for a decision from SWAS group for college help for this child. If they decide not to, we will open this child's profile for help on our website.

Krishna Sudha Lanke from Nizamapatnam, Guntur district, AP, India.

Krishna Sudha belongs to the fisherman community. She is an orphan child. Lost both of the parents at a young age. Father died with heart attack and mother died in 2005 because of cancer. This child is currently staying with grand parents who are very old and unable to support this child.

VEDABALAJI KUMAR GORIPARTHI from Lodi, New Jersey, USA supported this child till high school. He extended his support to help her with her college education also.

OTHER SUCCESSFUL CHILDREN

From LKG – 10th Grade, we have 124 children who secured ranks (first, second and third ranks in their respective grades at their schools). Most of them secured 90% plus in their annual exams. We will be rewarding these children with cash awards and certificates in a public ceremony to be held in 2010 during Sam & Rena’s visit to India. We also have 10 children who failed. We are giving them a second chance to study again. If they fail the second time, we will discontinue our help and give another child the same chance.

Once again, I like to thank all of you for your committed support for our noble cause. With the last update, we had around 340 children waiting for help. With all of your help, we were able to bring that number down and got sponsors for 140 children. We still have 200 more children waiting for help. I am sure God will lead us to help these children with all of our hard work.

Thank you
Yours truly
